Nurse Practitioner Fiona Philp

- Fiona Philp, an associate partner of the practice, is a highly qualified Advanced Nurse Practitioner with 20 years of experience in general practice.
- Fiona can assess and examine you, make a diagnosis and provide advice and treatment including a prescription if required. She can refer you to hospital specialists, initiate investigations and admit patients to hospital where necessary.
- To provide this service Fiona has completed rigorous training at Huddersfield University as well as here at The Wilsden Medical Practice. She has the qualification of Master of Science with Distinction - Advanced Nurse Practitioner.
- Fiona works closely with her doctor and nurse colleagues to provide the best possible care to the patients of The Wilsden Medical Practice.
